Attachments: Condensate Tank Enforcement White Paper (May 30 2019) with XPS + AED comments 6-03-2019 (Bohan Suzanne) and R8 ORC.docx

Tim

Attached is a white paper that Patrick put together. Several of us have already commented on it. If you have a chance to review and provide input please let me know. If you don't have time that's fine, we are in the early stages so there will be many other opportunities. I am also still waiting for Scott Patefield.

Thanks.

Apple
